

Manufacturers of Quality Progression & Transfer Dies inclusive of Checking Fixtures and or Metal Stamping

Our Mission Statement

Up to a Standard not down to a price

Five Star Tooling commenced business 19 years ago by establishing the tool and die company in Brisbane

The activities, that underpinned the company's substantial growth over 14 years now was the active target

Since 1999, Five Star relocated its Tool and Die facilities and Metal Pressings to Thailand and so operated

The company continues to use its engineering expertise and process planning capabilities to complete the
